After a hugely successful 2008 summer and fall tour covering over 25,000 miles and 15,000 people, Matt Brouwer his band are ready to return to the road in the new year for an extensive tour across the nation.

The “Love Can Save a Life” Tour 2009 seeks to partner with Communities and venues across the US and Canada, offering hope to those in need in our communities and around the world. Combining a first-rate pop/rock show with the goal of sharing God’s love with the world provides a sharp focus and purpose for this season of touring. Matt is an artist associate with **World Vision** and is one of the founding members of

New Beginning Resources, Inc. www.nbri.net a non-profit relief- oriented organization providing medical/educational ministry to Central America and the Caribbean. His personal focus on missions abroad as well as reaching out to our neighbors within our own communities in North America brings depth and purpose to the music and concert experience.

Matt’s first single “**Beautiful Now**” from his new album “**Where’s Our Revolution**” produced by Grammy award –winning producer, Michael Omartian, **has claimed the #1 spot on the CRW Global AC and CHR Charts for 4 months and the CanCon AC chart for a similar period. It remains in the Top 100 CCM CHR chart. The song was nominated for a Covenant Award in 2008.** The power of this song has inspired this next season of touring for Matt.

"Matt and his band were tremendous! Everything, from the music to the sincerity to the personalities to the flexibility - by far the best band that I've ever worked with. We would love to have them back in the Fall of 2009 for a full-on concert in our larger venue! Matt is a fantastic musician with a huge heart for God, and his ability to really connect with his audience is amazing."

Chris Judge | Pastor, Youth & Young Adults, Bayview Glen Church

"Matt Brouwer and his band provided an awesome evening of great music and song, while humbly ministering to our people. They were such a pleasure to work with and we look forward to having them come back again. Matt and the band were the perfect package!"

Steve Pommier | Cranbrook Alliance Church.
